MoDOT to Provide Report on Tolling Interstate 70

Governor Jay Nixon has contacted the Missouri Highways and Transportation Commission requesting that MoDOT analyze and provide options for using tolls to improve and expand I-70.

In response to the Governor's request, Commission Chairman Steve Miller has directed MoDOT staff to immediately prepare the report and to submit it to the Governor by Dec. 31 as requested – [Governor's News Release](#).

Traveler Information Map

Check MoDOT's Traveler Info Map for weather-related road conditions, flood closures & work zone locations.

Know Before You Go!

This time of year is a busy travel season for Missourians. Make sure you have all the information you need before heading out the door for your holiday travel. MoDOT's website and mobile apps offer motorists several options for keeping up to date on what's happening on Missouri roadways.

Traveler Information Map App

Users of iPhones, iPads and Android mobile devices who update the app will have access to statewide traffic flow information in addition to incidents, closures, work zones, message boards and weather-related road conditions. [iPhone App](#) – [Android App](#)

The Traveler Information Map can also be found on MoDOT's website. modot.org

Text Alerts / Email Notifications

With MoDOT's E-update System you can receive email notifications on road work by county, by specific projects or statewide. You can also sign up for text alerts or email notifications for incidents and emergency closings (by county). It's easy to subscribe and you can change or cancel your subscription anytime. Real Time Traffic

Real time traffic is available for these urban areas:

St. Louis - <http://www.gatewayguide.com/>

Kansas City – <http://www.kcscout.net/>

Springfield - <http://www.ozarkstraffic.info/index.html>

Customers can always call MoDOT's customer service centers 24/7 for road conditions and other information - 1-888-ASK-MoDOT (275-6636).

MAJOR PROJECTS

Groundbreaking for Last Major Project in Central Missouri

Ground was broken for the last major highway construction project in central Missouri. The Lafayette Street interchange project in Cole County includes building a new interchange at U.S. Route 50 and Lafayette Street; adding a lane in each direction on the Whitton

Expressway from Monroe Street to Lafayette Street and from Lafayette to Clark Avenue; and rehabilitating, replacing or constructing six bridges along the corridor – [Read More](#).

SAFER ROADS

Substance-impaired Driving Can Make the Holidays Lethal

As motorists plan holiday gathering the Missouri Coalition for Roadway Safety wants to remind them that substance-impaired driving can be a lethal combination. The consequences are fines, jail time or even death.

Statewide all law enforcement agencies will be out in full force, and if you choose to drive impaired, you will be arrested.

There are no excuses to drive impaired. No risk it – designate a driver. For more information and safe driving tips visit www.savemolives.com.
