**Transportation Report Asks, "Where Do We Go From Here?"**

*MoDOT Issues Annual Accountability Report to General Assembly*

MoDOT has made significant improvements to the state's highway system in the past few years. In fact, 83 percent of Missouri's major highways are now in good condition and the state has experienced a 24 percent drop in highway deaths since 2005. [Report](#)

**Investing Big in Small Highways**

Smart use of taxpayer dollars has allowed MoDOT to undertake an additional \$144 million worth of work on some of the state's worst highways. More than 1,500 miles of lettered and smaller numbered routes will be smoother and safer thanks to the added work throughout the state. [Investing](#)

**Popular Science Picks MoDOT Interchange as Best Innovation**

Driving on the wrong side of the road may not seem like a logical way to design a highway interchange, but that's the concept behind a new intersection in southwest Missouri that Popular Science magazine has named one of its 100 best innovations of the year. [Popular](#)

**Interstate 64 Reopens December 7**

*Public Invited to Opening Celebration Sunday, December 6*

Despite a second year with unusually wet weather, MoDOT and Gateway Constructors are proud to announce all lanes of I-64 will reopen Monday, December 7. This opening is nearly a month ahead of the contract deadline of December 31. [I-64](#)
