Bolder Signs To Make State Highways Safer

Now the signs that let you know about a sharp curve, a narrow bridge or a dead end up ahead are getting brighter. MoDOT has changed the type of sheeting it uses on the diamond-shaped warning signs to a fluorescent yellow to make them more visible. [Signs](#)

New Message Boards to Make Rural Highways Safer

MoDOT Is First in the Nation to Put Federal Safety Funds to Work
MoDOT will be using an \$800,000 federal grant to install six additional electronic message boards and 12 closed circuit television cameras in south central and southeast Missouri. The new equipment will be installed in areas with high traffic volumes and incident rates. [New Boards](#)

First-in-USA Diverging Diamond Interchange Moving Traffic Quickly, Safely in Springfield

The new first-in-the-USA Diverging Diamond Interchange, which opened June 21 at Route 13 and Interstate 44, has achieved its goal to move more traffic in less time through the busy northwest gateway to Springfield. [Diamond](#)
