

CITY OF COLUMBIA, MISSOURI

PUBLIC WORKS DEPARTMENT

December 10, 2013

Dear Consultant:

The **City of Columbia** is requesting the services of a consulting engineering firm to perform the professional services for the project described on the attached Project Information Form. The project is known as the Bike Boulevard – MKT to Parkade, and includes new pedestrian signals in at least two locations, specifically – Business Loop 70 at Parkade Boulevard and Providence Road at Forrest Drive.

If your firm would like to be considered for these consulting services, you may express your interest by responding to the City of Columbia, Public Works Department.

The response submittal must include the following:

Letter of interest (3 pages maximum)

Statement of Qualifications (10 pages maximum)

Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify

Memorandum of Understanding (15 CSR 60-15.020)

The letter of interest and Statement of Qualifications should include a statement to indicate why your firm is interested in the project together with any information which might help us in the selection process, such as the persons or team you would assign to the project, the backgrounds of those individuals, the approach your firm would take in completing the project, a proposed timeline showing major milestones, and a list of relevant projects your firm has recently completed or are now active.

The DBE goal for this Engineering Services Contract will be 10%.

The City of Columbia will evaluate submittals from interested firms according to the criteria listed in the Project Information Form.

We request all letters of interest with required submittals be received by 5:00 pm, January 7, 2014.

Sincerely,

A handwritten signature in black ink that reads "Clifford Jarvis, PE". The signature is written in a cursive style.

Clifford Jarvis, PE

Engineering Supervisor – Design/CIP
