Project No. 89005536

Title Blue Parkway at Eastwood Trafficway – Federal Aid No. STP-3301 (457)

ISSUE DATE: August 11, 2014

This addendum revises referenced bid/proposal and/or specifications documents as follows:

1. Delete Attachment A – Scope of Work and replace with Attachment A – Scope of Work – Addendum 1.

Project Name: Blue Parkway at Eastwood Trafficway
City Project No.: 89005536
Attachment A - Scope of Services

General

The selected design professional will provide construction observation services for the Blue Parkway at Eastwood Trafficway project.

Background

The Blue Parkway at Eastwood Trafficway project will improve the intersection of Blue Parkway and Eastwood Trafficway in Kansas City, MO. This project includes roadway widening, drainage and signal improvements to add a left turn lane to Blue Parkway, rehabilitate Bridge S096B11 048 and add a right turn lane to Eastwood Trafficway. Improvements include grading, paving, bridge rehabilitation, storm sewer, sidewalks, retaining walls, traffic signals, pavement marking and signing, street lighting, erosion control, traffic control, cold milling, water main relocation sanitary sewer rehabilitation, and landscaping.

Scope of Services

Construction Phase: work with contractor on behalf of the City, assist with preconstruction conference, perform periodic site inspection, prepare change orders, inspect construction materials, check shop drawings submitted by contractor, conduct construction test and inspection, be present during critical construction operations, work with the City to do full time inspections and reporting and participate in final inspection.

This is a federally funded project, and the selected design professional will be required to follow the "LPA Policy" and all applicable Federal, State, and City requirements and procedures.

It is required that your firm be prequalified with MoDOT and listed in MoDOT's Approved Consultant Prequalification List, or your firm will be considered non-responsive.
