RE: Addendum 01: RFP 13-145 – Willott Road Bridge Replacement Engineering Services

To all Contract Bidders of Record,

This Addendum, consisting of one (1) page is issued to modify, explain or correct the original Contract documents as noted below, and is hereby made a part of the Contract documents.

Clarifications

In regards to consultant selection criteria, the RFQ document states a maximum of 40 points will be awarded based on the consultant's "Past Record of Performance with the City (St. Peters)". The intent of this criteria is to score consultants based on their previous experience successfully completing similar projects. These projects can be both for the City of St. Peters and/or for other agencies. This criteria is not intended to exclude or discourage consultants that have not previously worked for the City of St. Peters from submitting for consideration.

When submitting your proposal, please sign and include this Addendum 01.
