SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below.

Title: 7-0610120 – Electronic Fueling Equipment (Bennett Fuel Dispensers)

Description: The Missouri Department of Transportation, District 6, Chesterfield Mo. has determined that only one source, Graham Equipment Company, of St. Louis, MO. (a local area authorized distributor for Bennett Electronic Fuel Dispensers, an authorized factory service technical support representative, and a PEI member), can install department provided Bennett Electronic Fueling equipment that may include but may not be limited to dispenser pumps installation, factory start up, provide factory warranty parts and services to current and recently purchased Electronic Bennett Dispensers. This work will include sites within the St. Louis Area District counties of Franklin, St. Charles, Jefferson, and St. Louis City and County. This project shall consist of installation of MoDOT provided Bennett Electronic fuel dispensers and related components, installation and upgrading of existing equipment; fittings, accessories and tank parts necessary to have sites upgraded to current codes and industry standards. Electrical upgrades will be coordinated with MoDOT contracted electrician. Installation of MoDOT provided Bennett equipment and related Fuel Island components may exceed \$25,000 individually and/or cumulatively and may be made throughout calendar year 2010 and expiring on December 31, 2010. This authorization may be extended for an additional one (1) year period unless additional suppliers are identified upon the expiration of any single feasible source authorization.

Pursuant to 285.530 RSMo. The contractor must affirm its enrollment and participation in a federal work authorization program with respect to the employees proposed to work in connection with the services as described herein.

The contractor shall only utilize personnel authorized to work in the United States in accordance with applicable federal and state laws. This includes but is not limited to the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA) and INA Section 274A.

If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the State of Missouri has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the state shall have the right to cancel the contract immediately without penalty or recourse and suspend or debar the contractor from doing business with the state.

The contractor agrees to fully cooperate with any audit or investigation from federal, state or local law enforcement agencies.
