Training – A complete list or catalog describing all available training materials related to the items you are bidding should be included in your bid.

All specialty equipment and equipment purchased by MoDOT shall have the minimum vendor training supplied as outlined below:

- a. Training shall take place at each district where equipment is delivered or at an off-site location at the vendor's expense. A qualified service technician or mechanic shall conduct the training. Training will be supplied to operators and mechanics of equipment and will cover safe operation and routine/preventative maintenance. The vendor shall supply training within one month of delivery and acceptance. The vendor shall supply all training materials.
- b. Training shall be supplied to MoDOT mechanics by the vendor. Modules to be covered are electrical, chassis and power train. (also hydraulics if applicable) Warranty coverage(s) will be explained during each of these modules.

Should the training not meet the requirements (needs of the employees being trained,) indicated above, the vendor shall come back to the location the training first took place and hold the training again.

All vendors shall provide a telephone number for technical assistance, manned during normal working hours.

see attached.
