

800

Better Bridges

Facts About the Program

- On average, the Safe & Sound Bridge Program reduces construction time to nearly half of what a normal MoDOT bridge project would take.
- There are 10,249 bridges on the Missouri state highway system – 7th largest total nationwide.
- Approximately 1,100 are in poor/serious condition. The Safe & Sound initiative will address most of these bridges.
- As of December 2010, 55 of the 90 bridges in Central Missouri have been completed.
- Safe & Sound will directly or indirectly support more than 5,300 jobs.
