

Welcome!

The purpose of today's hearing is to help you learn more about the proposed project to widen Route 740 (Stadium Blvd.) in Columbia from just north of I-70 to south of Broadway.

The project includes modifying the I-70 and Stadium Blvd. interchange to a diverging diamond interchange. It also includes adding lanes to Fairview Road from Worley Ave. north to the west entrance of the Columbia Mall and to Bernadette Drive from Fairview Road to Beverly Drive.

This is an open-house public hearing. Members of the project team are here to assist you and explain various aspects of the proposed project.

As you move through the displays, please share your questions and comments with us. Your input is very important.
