MoDOT Leadership

Director – Dave Nichols

As **director** of the Missouri Department of Transportation, Dave Nichols oversees the agency responsible for designing, building, operating and maintaining Missouri's transportation system – the seventh largest in the United States with more than 33,000 miles of highway and 10,000 bridges. The agency also works to improve airports, river ports, railroads, public transit systems and pedestrian and bicycle travel.

Chief Engineer – Ed Hassinger

As the key assistant to the MoDOT director, the **chief engineer** has input on overall department decisions at the Missouri Department of Transportation as well as overseeing engineering operations such as transportation planning, construction and maintenance. This position reports directly to the director and serves as the primary advisor regarding engineering and business issues. The chief engineer handles MoDOT's day-to-day operations.

Chief Financial Officer - Roberta Broeker

As **chief financial officer**, Roberta Broeker reports to the department director and oversees MoDOT's financial and administrative operations. She manages the agency's System Facilitation Team, which includes Equal Opportunity and Diversity, Information Systems, Human Resources, General Services, Financial Services, Motor Carrier Services and Risk and Benefits Management.
